# Coco Sea

The new ultimate vacation condominium at Nai Harn:

- Innovative design and the newest high-quality construction technology with significant capital appreciation
- Guaranteed rental programme of 6% net return
- Experienced developer portfolio of successful development

**Location:** Nai Harn Beach, Phuket's 'best beach' (Trip advisor survey March 2015)

**Price Range:** Starting from 3.5 million baht

**Concept:** Coco Sea is inspired by swathes of exotic coconut palms. 12 beautiful asymmetric towers stem from flowing seamless swimming pools, emulating the crystal-clear water of the Andaman Sea.

Total 376 condominium units. 94 units direct pool access. One third of the development features luxuriant

swimming pools extending over 3,000sqm and surrounding the buildings.

**Investment:** We have expanded both the service and capabilities to offer a fixed 6% net guaranteed rental return to early buyers of our Coco Sea vacation condominium units. Combining this prime location with value pricing and high construction quality guarantees long-term capital appreciation.

Our philosophy is to develop exciting, high-quality lifestyle properties and related services to ensure stress-free investment opportunities for our buyers and owners.

**Management:** We pride ourselves on being able to provide valuable after-sales service and, to this end, we have created a range of services to help you manage and protect your investment. Secure optimum capital returns by buying early in a proven location Act now to avoid disappointment.
